

19th International Conference on Hybrid Intelligent Systems

VIT Bhopal University, India

December 10-12, 2019

Call for Papers (SCOPUS Indexed Publication)

Special Session: “Recent Trends in Digital Images and Video Processing”

VIT[®]
BHOPAL
www.vitbhopal.ac.in

Organizers:

Dr. Vijay B Gadicha, Nagpur Institute of Technology, Nagpur, India

Dr. Roshan Bhure, P.R.Pote College of Engineering and Management, Amravati, India

Prof Ajay B Gadicha, P.R.Pote College of Engineering and Management, Amravati, India

The organizers invites authors to submit their original and unpublished work that demonstrate current research using soft computing, computational intelligence and other intelligent computing techniques and their applications in science, technology, business and commerce. Following are some of the under-mentioned themes (not limited to):

- Event Summarization in Video
- Scene Classification in Video
- Semantic Intelligence in Video
- Image Enhancement
- Color Imaging
- Object Detection
- Motion Analysis
- Object Tracking
- Visual Navigation
- Real time Image Processing
- Video Processing and streaming
- Social Media Images/Videos
- Pattern Analysis and Recognition

About the Conference

Welcome to the 19th International Conference on Hybrid Intelligent Systems (HIS 2019) in India, 2019. Hybridization of intelligent systems is a promising research field of computational intelligence focusing on synergistic combinations of multiple approaches to develop the next generation of intelligent systems. A fundamental stimulus to the investigations of HIS is the awareness that combined approaches will be necessary if the remaining tough problems in Artificial Intelligence are to be solved.

The objectives of HIS 2019 are: to increase the awareness of the research community of the broad spectrum of hybrid techniques, to bring together AI researchers from around the world to present their cutting-edge results, to discuss the current trends in HIS research, to develop a collective vision of future opportunities, to establish international collaborative opportunities, and as a result to advance the state of the art of the field.

Important Dates

Paper submission due: September 01, 2019

Notification of paper acceptance: October 15, 2019

Registration and Final manuscript due: October 30, 2019

Conference: December 10-12, 2019

Author Guidelines

Proceedings are expected to be published by Springer: “Advances in Intelligent Systems and Computing”, which is now indexed by ISI Proceedings, DBLP, EI-Compendex, SCOPUS, Zentralblatt Math, MetaPress, Springerlink

Papers maximum length is 10 pages. Papers must be formatted according to Springer format (Latex/word) available at: <http://www.springer.com/series/11156>

Submit your paper at the submission site: <https://easychair.org/conferences/?conf=his2019>
